Central Intelligence Agency

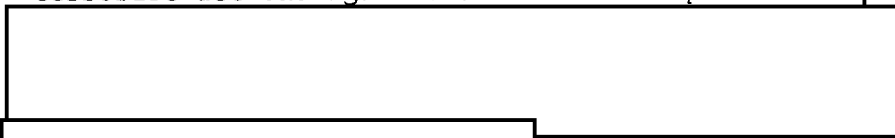

Washington, D.C. 20505

10 March 1982

Commander Frederick Demech  
Assistant Executive Director,  
President's Foreign Intelligence  
Advisory Board  
Executive Office Building  
Washington, D.C. 20500

Dear Commander Demech:

The Intelligence Community recently completed an updated assessment (enclosed) of the likelihood and implications of terrorist actions against US nuclear weapon sites.

25X1  
25X1

information from his debriefing constitutes new evidence of specific terrorist interest in nuclear weapon sites. This new evidence further underscores our previous judgment that the threat must be taken seriously.

25X1

Sincerely,

25X1
